

ELEVATE YOUR TEAM AND SAVE TOWARDS YOUR BOTTOM LINE

Meeting budget requirements, improving efficiencies and patient throughput, and making the best use of technology are among your daily challenges. Changes in regulations and recommended practices, reduced reimbursements, and increased Medicare penalties are others—which is why continuing education is so vitally important.

DISCOUNTED TEAM RATES

We know your travel and education budgets are tight – that's why we are offering discounted team rates that allow you to send 5 or more people to the **2019 OR Business Management Conference**.

- Unlimited Plan: Send an unlimited number of attendees for the price of 12!
- Corporate Group Plan: Send up to 10 attendees for the price of 6 and save almost \$500 per person!
- Team Plan: Send up to 5 attendees for the price of 3 and save almost \$500 per person!

IMPROVE YOUR TEAM'S EFFECTIVENESS AND SAVE YOUR FACILITY COSTS IN THE LONG RUN

Your team can participate in over 35 educational sessions in four tracks, presented by more than 50 perioperative services leaders.

- **Educational tracks** are focused on finance and analytics, leadership, performance improvement and quality, and supply management.
- **Continuing education** allows your team to receive up to 19 continuing education hours towards nursing certification requirements.
- **Gain successful management approaches** to improve patient throughput and delivery of care, start new service lines, gain surgeon support, and more!
- **Learn how** to increase OR utilization, refine block scheduling, implement and sustain process changes, and enhance collaboration among staff.

REGARDLESS OF JOB RESPONSIBILITY, EVERYONE ON YOUR TEAM WILL TAKE TACTICS AND STRATEGIES BACK TO YOUR FACILITY TO IMPLEMENT FOR INSTANT IMPACT.

Join 70 speakers during hands-on sessions that include:

- **Two pre-conference workshops to choose from**
- **Developing a Robust Staffing Model for Postanesthesia Care Units**
- **Teamwork Makes the Dream Work**
- **A Look in the Rearview Mirror: Paving the Way for Future Cost Avoidance**
